

## Women's Soccer Coach Job Posting December 20, 2024

Great Lakes Christian College, located in Lansing, MI, is seeking a full time Women's Soccer Coach.

Great Lakes Christian College is a four-year college focused on preparing servant leaders for the church and world. In its 75 years of existence, the college has prepared numerous men and women to serve the Kingdom of God in the marketplace and vocational ministry. Our history gives hope for the future. Students are the key to our success. The position we are filling serves both as a means to increase enrollment and to disciple those students.

Great Lakes Christian College is an NCCAA Division II institution and competes in the Midwest Region. This position is responsible for planning and directing the recruitment, skill development, performance, scouting and administration of the Women's Soccer program in the manner that upholds the mission and values of Great Lakes Christian College and the Athletics program. The successful candidate will be dynamic, energetic, and teaching-oriented. They will demonstrate a strong commitment to the Christian faith.

The applicant must be able to communicate effectively, in writing, in person and by telephone. This position reports to the Director of Athletics and is a part of the Enrollment Management division of the College.

The Head Women's Soccer Coach is responsible for maintaining a high-quality NCCAA athletic program that supports student recruitment and enhances the educational experience and personal growth of the student-athletes.

The Coach will manage the team and all aspects according to the Great Lakes Christian College Department of Intercollegiate Athletics Policies and Procedures.

The Coach must conduct all activities in accordance with all state and federal regulations, accreditation standards, and the College's policies and procedures. Additionally, the Head Coach must comply with all NCCAA regulations while maintaining the highest ethical standards.
