HISTORY

Over a generation ago, men and women of God were deeply concerned with the lack of vitality and the shrinking numbers of Christian Churches/Churches of Christ in Michigan. Their concern led to plans for founding Great Lakes Bible College, which came into being in 1949 at Rock Lake, near Vestaburg, Michigan. Twelve students were enrolled during the first year and their classes convened in the log cabin of Ralph R. Woodard, the first President of the College.

In 1951, the young College purchased a nearby eighty-acre farm and converted it into the first campus. Recognizing the advantages of a more urban location, the Trustees decided to move to the capital city, Lansing, in 1958. The College occupied the Dodge Mansion for fourteen years. In 1970, the College purchased a forty-acre site on the west edge of Lansing, and the first buildings were constructed for use in 1972. Additional land was later added, and facilities have been constructed as needed. In 1992, the College name was changed to Great Lakes Christian College.

In 2003, the College received accreditation with The Higher Learning Commission. In 2017-2018, the College successfully completed assurance argument evaluations for re-accreditation with The Higher Learning Commission.

The Doty Center was built in 2007. This facility is designed to accommodate large events and athletic contests. This multi-purpose gymnasium is named after the late Dr. Brant Lee Doty who was a professor, dean, and chancellor of GLCC. This building will continue his legacy of service to students and constituents in the Lansing area and beyond. The newest construction is the Knowles Learning Center. The first phase (the faculty office suite) is completed. The Knowles Learning Center is a facility that provides opportunity for the College to expand the capacity of learning for past, current, and future students.

The impact of GLCC is felt far and wide. Our alumni can be found in 40 of the United States and in many foreign countries. The Michigan churches, in particular, are impacted by our graduates who serve as preachers, youth ministers, music ministers, and Christian education directors. Since 1949 the College continues to be true to her mission of training students to be servant leaders in the church and world.

MISSION

Great Lakes Christian College, an institution of higher education affiliated with Christian Churches/Churches of Christ, seeks to glorify God by preparing students to be servant-leaders in the church and world.

PURPOSE STATEMENT

Since our students will be serving primarily in church-related, congregational contexts, our primary task is to educate men and women to be servant-leaders in preaching and other ministry roles. Secondly, the College educates students to be servant-leaders in careers related to the church (e.g. para-church organizations such as Christian schools) or institutions in the public sector. In both instances, preparing students to be servant-leaders is central to the College's founding character, history, curriculum, and campus ethos.

As a Christian academic community, Great Lakes Christian College integrates Biblical studies into every aspect of its curriculum and community life. The faculty, staff, and administration of Great Lakes Christian College regard the Scriptures as the revealed, inspired, and infallible Word of God. The Scriptures find their place not only in the classroom, but throughout the campus community, especially in student life and service.

What does it mean to be a “servant-leader”? Servanthood is a quality that resides at the very heart of Christian leadership. Regardless of one’s career choice, being a servant-leader is the central ideal. Great Lakes Christian College prepares students to be servant-leaders by equipping students with four essential characteristics of a servant-leader:

1. *Maturation of Christian Spirituality*, which requires the formation of Christian character and personal devotion to Christ.
2. *Formation of a Theological Worldview*, which includes intelligence and critical thinking skills, Biblical and theological knowledge, and the ability to integrate faith and the academic discipline of one’s profession.
3. *Development of an Awareness of and Respect for Culture*, which requires students to integrate a breadth of knowledge about literature, history, music, science, mathematics and human relations, and understand their relevance to one’s faith.
4. *Professional Competency and Skills*, which includes the development of interpersonal relationship skills and personal attributes conducive to one’s chosen profession.

While each of these characteristics is addressed differently by each portion of the curriculum (General Education and Bible/Theology) or is defined more specifically in relation to each program, these four characteristics help define the very concept of servant-leadership. Hence, students at Great Lakes Christian College can readily say that their intention is to be servant-leaders in the church and world.

Servant-Leaders in the Church

Preparing students to be servant-leaders in the church context is the primary focus of Great Lakes Christian College. Ministry in the church has come to mean a wide variety of roles and responsibilities. Recognizing this developing trend, the faculty of Great Lakes Christian College has consolidated a number of ministry- focused majors into a single Ministry Major with several possible concentrations. Students share a common ministry training curriculum relevant to all vocational ministers, then choose a specialty to further develop skills in their specific area of interest. In addition to the Ministry Major, Great Lakes Christian College has majors in Advanced Biblical Studies, Family Life Education, and Worship Ministry that equip the student to enter other areas of ministry within the church.

Servant-Leaders in the World

Several programs are designed not only to prepare students for service in a church context but also to provide the transition to careers and occupations outside the church context. The Advanced Biblical Studies major, Music major, Psychology/Counseling major, and Interpersonal and Organizational Communication major are designed to prepare students for service in the church and to prepare students for further studies in a graduate setting. In addition, the Business Management-Nonprofit major, the History major, and the Elementary Education major enable students to receive a Christian education while preparing to be a witness for Christ in the workplace.

INSTITUTIONAL GOALS

1. To provide our students a foundation for Christian faith, thought, and character that is relevant to the challenges and opportunities of the world;
2. To develop in our students a greater awareness of the need for the Gospel in a fallen world and a personal commitment to be bearers of that message;
3. To prepare educated, faithful vocational ministers, able to lead and administer churches and/or Christian institutions throughout the world;
4. To prepare both volunteer and vocational Christian students for leadership and professional roles within the church and world;
5. To instill the restoration principles as espoused by Christian Churches/Churches of Christ in the life, faith, ministry and witness of our students;
6. To assist the churches of our constituency through special events and educational programming.

POLICIES

Great Lakes Christian College, in its endeavor to equip and train men and women for servant-leadership, shall maintain a curriculum in harmony with the Word of God.

The College reserves the right to establish rules and regulations consistent with its expectations in regard to student academic endeavors, social behavior, spiritual development, and ethical responsibilities. The Student Handbook specifically details the rules and regulations.

Attendance at Great Lakes Christian College is considered a privilege. This privilege may be withdrawn if any student fails to cooperate with the rules and regulations of the College, its purposes and ideals, or other students. A dismissed student may not be granted credits for work done during the semester of dismissal, nor will a refund of tuition and fees be made.

Essentially, students are enrolled at Great Lakes Christian College to prepare for servant-leadership. The College expects harmonious progress and learning toward this end.

Great Lakes Christian College reserves the right to modify or eliminate programs that are described in this publication. In the event such an action is taken, students affected will be advised of the options available to them to complete their degrees. Every reasonable effort will be made to permit students to complete these programs or similar programs.

The College reserves the right to change requirements for enrollment in both programs and courses as necessary. Every reasonable effort will be made to provide alternatives for students affected.

The College reserves the right to make changes in fees, tuition, and housing rates. Every effort will be made to give as much advance notice as possible.

Current students who do not enroll for two consecutive semesters will return under the catalog requirements in force when they are readmitted.

NONDISCRIMINATION POLICY

Because of the historic commitment to Biblical principle ("There is neither Jew nor Greek, slave nor free, male nor female..." Galatians 3:28), Great Lakes Christian College has been, and remains, nondiscriminatory in all policies and programs. Great Lakes Christian College admits students of any race, color, and national or ethnic origin to all rights, privileges, programs, and activities generally made available to students at the College. It does not discriminate on the basis of gender, race, physical handicap, national or ethnic origin in administration of educational programs, admissions policies, scholarship and loan programs, employment practices, athletics, or other activities. The College actively seeks to fulfill federal, state, and local laws and regulations in all its practices and facilities. The facilities are designed to provide access for the physically handicapped.

TITLE IX NOTICE

Great Lakes Christian College does not discriminate on the basis of sex in admission to or employment in its education programs or activities. Inquiries concerning the application of Title IX and its implementing regulations may be referred to the College's Title IX Coordinator or to the U.S. Department of Education, Office for Civil Rights. The title and the address of the College's Title IX Coordinator is:

Dean of Students
Great Lakes Christian College

Lansing, MI 48917.

The CAMPUS

Great Lakes Christian College is strategically located west of Lansing, Michigan, the state capital, in Delta Township. The forty-seven-acre campus is at the corner of N. Creyts Road and W. Willow Highway. Within a short drive is one of the largest Big Ten schools, Michigan State University, with a library of three million volumes. Lansing is also the home of Cooley Law School, Lansing Community College, University of Phoenix, and Davenport University. Because Lansing is the state capital, there is easy access to the city by way of Amtrak, Capital City Airport, bus terminals, and interstate highways. Delta Township, where GLCC is located, is one of the fastest growing areas in Lansing. A large shopping mall and other major shopping areas and restaurants are within walking distance of the College and provide opportunities for employment. Yet, with all these urban advantages, Great Lakes Christian College is located in a beautiful, residential area that surrounds the spacious forty-seven acre site. Lansing is an hour and a half from Detroit and Detroit Metro Airport, and an hour from Grand Rapids, home of several of the major religious book publishers. Indeed, Great Lakes Christian College is strategically located for convenience and affords an opportunity for an excellent education.

The main entrance to the campus is at 6211 W. Willow Highway. Immediately visible is a large complex, which includes the Ralph R. Woodard Hall and Memorial Hall. Woodard Hall houses the Woodard Chapel, classrooms, and administrative and business offices. Memorial Hall houses the Louis M. Detoro Memorial Library, cafeteria, faculty offices, student mall, and music facilities including a rehearsal hall, practice rooms, and classrooms. The Doty Center is the hub for community and church events and home for GLCC athletic teams.

Admissions Information Section

Great Lakes Christian College seeks students who can succeed academically and spiritually in a Christian college environment. Applicants who expect to enter a degree program must have a high school diploma (or its equivalent) with a minimum GPA of 2.5 on a 4.0 scale and a minimum score of 18 on the ACT or 870 on the SAT. A pattern of college preparatory studies is also recommended. A high school equivalency certificate issued by the respective State Department of Education is correspondingly acceptable, such as the General Educational Diploma (GED) with an average score of 55%. Official transcripts for all high school credits including at least seven semesters need to be sent directly from the educational institutions to the Admissions Office.

All applicants under 23 years of age, or who have not been out of high school for more than five years, must take the American College Test (ACT) or the Scholastic Aptitude Test (SAT) and have scores forwarded to the Admissions Office. Test results will be sent directly to Great Lakes Christian College when designated on the test registration (ACT code 2009 and SAT code 7320). A composite score of 18 on the ACT or a combined score of 870 on the SAT demonstrates probable academic success at Great Lakes Christian College.

A minimum of two favorable recommendations are required. The Admissions Office will send Reference Questionnaires to individuals listed on the Application for Admission or send them directly to the applicant to give to their references. Relatives or individuals under the age of 21 may not be used as references. References should be from people familiar with the applicant's spiritual maturity such as a minister, church leaders, or Bible teacher and/or the applicant's work ethic in school or workplace such as a teacher, school counselor, or employer and/or the applicant's family background such as a neighbor or coach.

EMERGING SCHOLARS TRACK (formerly referred to as the ASSET Program)

Students who do not meet the general admissions requirements can apply under the Emerging Scholars Track. Students must, in addition to general admissions procedures, write an essay explaining why they have not met the criteria, how they will be successful in college and why they wish to pursue an education at Great Lakes Christian College. Students should apply for the Fall Semester by July 1 and for the Spring Semester by October 1. Students may be enrolled in the Program for up to one year.

Members of the Academic Standing Committee, prior to admission, will interview students in the Emerging Scholars Track. Students will be required to enroll in the Academic Success Class for each semester they are in the Program, and can take a maximum of 13.5 semester credits and are not permitted to participate in extra-curricular activities without the special permission of the Vice President of Academic Affairs. Students will be required to attend a two-day seminar prior to Orientation Week, as well as participating in regular Orientation activities.

Admittance into the Emerging Scholars Track:

In order to be admitted into the program, students must submit a written essay that describes their desire to attend GLCC, explains their past scores and grades, and what they plan to change in the future. The student will meet with the Director of Student Success prior to starting classes.

Target Dates for Applications, Essays, and Appointments:

Fall Semester

- Application Files (ACT/SAT Scores, Application, High School Transcripts) and ES Essay due by July 1
- Appointment Scheduled prior to July 1 (appointment may be held after that date, but must be scheduled by July 1)

Spring Semester

- Application Files (ACT/SAT Scores, Application, High School Transcripts) and ES Essay due by August 1
- Appointment Scheduled prior to July 1 (appointment may be held after that date, but must be scheduled by October 1)

In the absence of High School (and/or previous college) transcripts and ACT/SAT scores students will be enrolled into the Emerging Scholars Track. If GLCC receives the proper paperwork before the add/drop date, the student may move into the mainstream program.

Pathways for Emerging Scholars:

All Emerging Scholars attend two hours per week of guided tutoring in the Student Success Tutoring Lab for their first academic year.

- All Emerging Scholars take the following classes when admitted during their first and second semesters.
- All credits taken in the Emerging Scholars Track count toward a Bachelor of Science degree from GLCC. Some credits might count as electives and Emerging Scholars may fulfill their elective credits sooner than other students.

If an Emerging Scholar is first admitted in the <u>Fall Semester</u> , their course rotation is:

APPLICANTS with an ASSOCIATE DEGREE

Applicants who have already received an Associate degree from a Michigan college may have the general education requirements for the Associate of Arts degree waived if the sending institution is part of the Michigan Transfer Agreement (MTA). A student must successfully complete at least 30 credits, with at least a 2.0 in each course to fulfill the MTA. A student whose college transcript is endorsed as “MTA satisfied” has satisfied GLCC’s General Education Requirements and will only be required to take one remaining course: HI 310 Restoration History (2 credits).

Once applicants have received the MTA endorsement on their Michigan college transcript, they will have their GLCC general education requirements satisfied (with the above exception). Applicants should check with their college registrar’s office to find out how to request an MTA satisfied transcript.

(For students with an A.A. degree from an out-of-state college, the guidelines of the MTA will be followed by the Registrar, who will need to assess whether the student qualifies for waiving the general education requirements.) The Michigan Transfer Agreement (MTA) is a Michigan statewide agreement modeled from the original MACRAO (Michigan Association of Collegiate Registrars and Admissions Officers) Agreement and is designed to facilitate the transfer of general education requirements from participating community colleges to participating four-year colleges and universities. This agreement was developed by the State of Michigan’s Committee on the Transferability of Core College Courses.

To fulfill the MTA, students should complete the following:

- One course in English Composition
- A second course in English Composition or one course in Communication
- Two courses in Social Sciences (from two disciplines)
- Two courses in Humanities and Fine Arts (from two disciplines excluding studio and performance classes)
- Two courses in Natural Sciences including one with laboratory experience (from two disciplines)
- One course in Mathematics (college algebra, statistics, or quantitative reasoning)

(For more information, see *The Michigan Transfer Agreement Handbook MACRAO Articulation Committee*.)

Applicants who have already received an associate degree from an accredited program may have the General Education Requirements for the Bachelor of Science degree waived as long as they have completed the following minimum requirements: English Composition (6 hours), Science (6 hours, with 1 lab), Math (3 hours), Social Science (6 hours, 2 subject areas), and Humanities (8 hours, 2 subject areas), and have at least 30 credits in general education.

Any of these minimum requirements that have not been met can be completed at GLCC.

General Electives will also be waived for applicants who are approved. Approved applicants must complete all of the requirements for the Bible/Theology Major and their selected major.

GRADUATION RATES

The federal government and accreditation agencies require the College to publish its most recent graduation and placement rates. The GLCC program completion rates are based on the percentage of cohort year 2013/2014 first-time full-time students who complete their program is 19.2%; and full time transfer students is 22.2%. Our most recent placement rate is 70%, which means that 70% of these graduates were hired in an area related to their undergraduate major or enrolled in a graduate program within a year of graduation.

HOMESCHOOLED APPLICANTS

Admission requirements for applicants who have been homeschooled are the same as those for other applicants. They must submit a transcript of their completed high school courses as well as those that are in progress. The transcript should include a course description, grades received, and the signature of the person who prepared it. If the applicant does not already have a transcript, the GLCC Registrar can provide a form that can be used for this purpose. Also, applicants must submit their scores on the ACT or SAT to GLCC.

HIGH SCHOOL STUDENTS

Early / Dual Enrollment for High School Students

Students are permitted to enroll at GLCC prior to the completion of their high school course of study. The following stipulations apply to these students:

1. The student is recommended to be in his/her last two years of high school studies.
2. The student is recommended only to enroll in 100- and 200-level courses.
3. Exceptions may be granted by the Vice President of Academic Affairs. The following courses are automatically acceptable:

BT 100	Introduction to Biblical Interpretation
BT 135	Personal Spiritual Formation
CC 110	Speech Fundamentals
CS 150	Introduction to Computing
EN 130	Composition and Grammar
EN 131	Critical Research
GS 109	Academic Success
HI 140 / 141	Ancient Western Civilization / Medieval Western Civilization
LI 140 / 141	Ancient Western Literature / Medieval Western Literature
MA 200	Quantitative Literacy
MUS 100	The Musical Experience
MUS 110, 111	Music Fundamentals 1 & 2
PY 150	Introduction to Psychology
SC 110	Biological Foundations of Nutrition
SC 120	Physical Science and Laboratory
SC 130	General Biology and Laboratory
4. The dually enrolled student must complete the regular admissions procedures required by GLCC for "limited enrollment."

INTERNATIONAL STUDENTS

In order to facilitate a successful educational experience for international students, GLCC has adopted the following additional requirements:

- Those students whose native language is not English are required to demonstrate competency in English by achieving the following scores on the Test Of English as a Foreign Language (TOEFL):
 - Paper Based (PBT) ~ 550
 - Computer Based (CBT) ~ 210
 - Internet Based (iBT) ~ 79 overall with a minimum of 20 in writing
 - Boston Educational Services ~ score of 4.5 or higherStudents with lower scores must enroll in the Emerging Scholars Track.
- Letter of financial guarantee from a person or agency and a return ticket to one's country, or a guarantee of sufficient funds for a return trip
- Transcripts in English of all educational credits above the eighth grade level.

All admissions requirements are to be submitted to the Admissions Office at least four months prior to the expected date of enrollment.

Military Service Personnel

Great Lakes Christian College is approved for the education of active-duty service personnel, veterans, and their dependents (widows, war orphans, etc.) Veterans should apply as early as possible to expedite handling of VA forms. Official acceptance for admission is required to qualify for educational benefits.

Students receiving chapter 31 or chapter 33 benefits must submit a certificate of eligibility to GLCC's financial aid office. (This certificate may include a "Statement of Benefits" obtained from the Department of Veterans Affairs' website.)

GLCC will not impose any penalty (including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds) on any covered individual because of the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement funding from the VA under chapter 31 or 33. A covered individual waiting for a VA disbursement may continue attending classes up to 90 days after the date GLCC certifies the covered individual's tuition and fees.

Note: A "covered individual" is any individual who is entitled to educational assistance under chapter 31, *Vocational Rehabilitation and Employment*, or chapter 33, *Post-9/11 GI Bill* benefits.

ORIENTATION

First-time GLCC students must participate in orientation activities which will assist them in making the transition from high school to college by discussing the skills and attitudes necessary for success in college. It will also introduce students to the mission, academic programs, and student life of GLCC. Students will also participate in other orientation activities such as social events that will begin the process of building relationships with faculty, staff, and other students. They are encouraged to attend the sessions that provide specific information about GLCC.

PROVISIONAL ADMISSIONS

In some cases, students who apply late and cannot submit transcripts and references before registration may be accepted on a provisional basis. These students will have time until the add/drop date to submit all information to the Admissions Office. Any extension of this time must be approved by the Admissions Office.

RE-ADMISSION

Former students not enrolled at Great Lakes Christian College for two or more semesters or suspended students (due to academic or social suspension) seeking readmission must submit an Application for Readmission to the Admissions Office for approval at least thirty days prior to the beginning of a semester in which readmission is requested. Re-admitted students will be under the catalog current at the time of re-admission. The Admissions Office will review each request and notify applicants of their status within 14 days of receiving the application. See Academic Suspension under "Probation and Suspension, Academic" for more details.

SPECIAL ADMISSIONS

Special student status is granted to non-degree/part-time students at GLCC. Special students do not have to complete the entire admissions process but only need to complete a brief Limited Enrollment Form. Once a student has

completed 12 hours of credit, they must then complete the full admissions process to continue further studies. (This does not apply to dual-enrolled students.)

STUDENTS with DISABILITIES

Students with documented disabilities should identify themselves and discuss their necessitated accommodations with the Registrar, the Director of Student Success, Student Development personnel, and instructor(s) at the beginning of each semester.

TRANSFER STUDENTS

A college-level transfer student must obtain complete transcripts from each college or university previously attended. Official transcripts for all college credits need to be sent directly to the Admissions Office. The Registrar will determine which courses are the equivalent of required courses at GLCC and thus eligible for transfer credit. Transfer students must complete at least 30 hours at Great Lakes Christian College to earn a Bachelor degree and 15 hours to earn an associate degree.

Great Lakes Christian College places a high priority upon the study of the Bible and related subjects that will prepare students to be servant-leaders in the church and world. All academic programs are designed to accomplish this end.

- The Bachelor of Science degree requires completion of the General Education Requirements, the Bible/Theology Major, one additional major or minor and General Electives. It is designed to be completed in four years.
- The Associate of Arts degree is designed to be completed in two years. A.A. programs classified as “Adult Learning Programs” are limited to applicants 25 years of age or older.

All degrees are awarded upon the satisfactory completion of the programs of study outlined in the following pages and upon the formal recommendation of the Faculty to the Board of Trustees of Great Lakes Christian College.

The College reserves the right to change requirements for enrollment in all programs and courses as necessary. Every reasonable effort will be made to provide alternatives for students affected.

Students desiring to obtain a degree from Great Lakes Christian College must submit a Declaration of Major form before reaching junior status. Graduation from a major program requires at least a 2.0 GPA in the courses that make up the major field of study.

CORE COMPETENCIES

Core competencies are the attitudes and skills that every graduate should develop during a four-year program at GLCC. These qualities are necessary for success and excellence in any field of service. The General Education Requirements lay the foundation for the Core Competencies, and the majors strengthen and extend them.

1. CRITICAL THINKING: Graduates will demonstrate a habit of the mind that is characterized by the comprehensive exploration of issues, ideas, and events, based upon the careful selection and evaluation of information used as evidence before accepting or formulating an opinion or conclusion.
2. INTERPERSONAL COMMUNICATION SKILLS: Graduates will be able to interact with other people one-to-one and in groups by applying skills in conversation, listening, conflict resolution, collaboration, and consensus-building.
3. KINGDOM MISSION: Graduates will be able to articulate God’s mission in the world, the church’s role within it, and their vocation as individual believers in light of God’s kingdom as revealed through Jesus.
4. CULTURAL HUMILITY: Graduates will be able to acknowledge their own and others’ embeddedness in cultures and to evaluate and engage this embeddedness in relationship to the culture of the new humanity founded in Christ.
5. SELF-UNDERSTANDING: Graduates will be able to recognize and evaluate their personality, strengths, weaknesses, and spiritual gifts in the context of their family of origin and life experiences.
6. WRITTEN COMMUNICATION SKILLS: Graduates will be able to organize and present their conclusions, ideas, opinions, feelings, and beliefs to others in written form.

❖ Early Childhood Education Major

The Early Childhood Education Major is offered to assist students seeking certification by the State of Michigan to teach in or operate an early childhood program. Additionally, the major will develop the leadership and Biblical skills of the student to allow them to lead a church affiliated program effectively.

The student who completes the Early Childhood Education Major will be able to:

- Demonstrate a detailed understanding of early childhood growth and development as well as learning styles based on the fact that children are unique creations of God
- Design creative, age-appropriate teaching strategies, and curriculum which accommodate cognitive, physical, social, emotional, and spiritual growth in each child
- Apply classroom knowledge and laboratory experience to teach and/or direct successfully in an accredited child development program which exceeds state rules and requirements
- Identify and implement the components of quality leadership when working with staff, children, and parents

❖ Family Life Education Major

Family Life Education is an interdisciplinary field of study that draws from various disciplines such as psychology, education, sociology, Communication, law and public policy, economics, theology, and home management. It provides an understanding of human development, family systems, and interpersonal relationships. Graduates will be equipped to provide instruction and guidance to others in the subjects of marriage, parenting, family dynamics, and human relations. This program will also equip graduates to build healthy marriages and families in their own personal lives.

Certification as a Family Life Educator is provided by the National Council on Family Relations (www.ncfr.org). To qualify, applicants must have coursework in ten substance areas and two years of experience in the field. This major has been designed to fulfill those ten substance areas (Family in Society, Internal Dynamics of Families, Human Growth and Development, Human Sexuality, Interpersonal Relationships, Family Resource Management, Parent Education and Guidance, Family Law and Public Policy, Professional Ethics, and Family Life Education Methodology). The College has become an approved program by the NCFR, which streamlines the application process for certification.

Family life educators find employment in a wide variety of settings: family ministries in churches, family service agencies, foster care, food stamp programs, Meals-on-Wheels, nursing homes, hospitals, day care centers, community mental health centers, public health clinics, group homes, senior centers, government agencies, parks and recreation departments, educational institutions, and departments of corrections.

Graduates who complete the Family Life Education Major will be able to:

- Understand concepts and principles of healthy marriages and families
- Articulate their own attitudes and values about family issues
- Develop and implement programs of instruction and guidance that will build and equip healthy families
- Analyze and assess global and local needs of today's families
- Exercise interpersonal and professional skills that contribute to a positive family environment

❖ History Major ❖

The History Major is primarily intended for those students planning careers in fields such as education, law, journalism, and government. It is also useful as a background for seminary studies, home or foreign mission work, archaeology, and home schooling. Furthermore, it can facilitate research work in historical societies, museums, libraries, political analysis, and criminal justice. Beyond providing a framework for the understanding, interpretation, and evaluation of the occasions and efforts by humankind throughout history, this major also provides a historical context for events and people related to the Bible and the church. In addition, it intentionally seeks to participate in “character building,” the effort to help a student mold his or her attitudes and values within the principles of the Christian faith. In conjunction with the institutional and general education goals of the College, students graduating with a History Major shall be able to:

- Demonstrate a basic knowledge of the facts (events, people, places, dates) and flow (connections, influences, lessons, etc.) of history
- Distinguish between established truths and mere opinions
- Critically evaluate various situations, dilemmas, and viewpoints or interpretations
- Display the ethical lessons of history that are consistent with Biblical Christian morality in his or her personal lifestyle, conduct, and relationships with others
- Produce written research of a quality commensurate with that of respected publications in the field

The Public Policy Track is an option within the History Major for those students who are planning a career in government, public service, or law.

❖ Interpersonal and Organizational Communication Major

Programs in interpersonal and organizational communication allow students to build strong communication skills, which they need for successful careers and relationships. The Interpersonal and Organizational Communication Major at Great Lakes Christian College seeks to establish basic and specialized skills and attitudes necessary for the work of being a servant-leader in the church and world.

The wide range of IOC courses offers students a strong and diverse background in communication skills, research, and theory. Students will find that courses such as Public Speaking, Small Group Communication and Interpersonal Communication will help them build a solid communication foundation for developing their skills. Courses in areas such as Conflict Management, Gender Communication, Communication in Change, Servant Leadership, Organizational Communication and Persuasion will help students prepare for a range of communication experiences that will be encountered in their personal and public lives and will help them in developing others in their leadership roles. Graduates from GLCC's IOC program will be introduced to the field of Communication and will be able to pursue specialized training in Graduate School in the specialization of their choosing. Graduates of programs like this one have been employed in a variety of fields, including the following: business (operations manager, chief financial officer, marketing specialist, media planner, public relations specialist, customer service representative), education (school counselor, college admissions adviser), human services (family service supervisor), sales (account executive, sales analyst, and claims representative), training and development (management trainer, recruiter), and ministry (minister of membership, minister of assimilation, and office manager).

Graduates completing the Interpersonal and Organizational Communication Major will be able to:

- Name and explain theoretical concepts central to the discipline, including those applicable to interpersonal, public, and organizational Communication contexts and recognize the communication behaviors that reflect those concepts
- Assess the ethical implications of a given communication behavior in a given context
- Evaluate message strategies in interpersonal, public and organizational contexts
- Exhibit competence in interpersonal and public communication skills
- Select and apply Communication strategies to establish mutually rewarding social and professional relationships

with Multiple Concentrations

Full-time ministry in today's church means employing a variety of skills and information to effectively teach and lead. Ministry staff will teach lessons, design curriculum, manage conflict, evangelize, and mentor the members of their churches in a multitude of settings and roles. Because of the increasingly diverse nature of ministry, students in the Ministry Major will complete a unified core curriculum that touches on many of the key areas of ministry development. Students will then select a Concentration to further develop their skills in the ministry area that best aligns with their interests and skills.

All Ministry students will:

- Employ current research tools for discovery of truth as it applies to the contemporary church
- Develop skills and various styles of teaching that are requisite for the discovery and transmission of truth
- Effectively interpret and communicate the Word of God
- Articulate a biblical philosophy of the servant-leader's role in God's mission to the world

Youth Ministry Concentration

The Youth Ministry concentration will prepare students to minister to children and adolescents in both the church and world.

Graduates who complete the Youth Ministry concentration will be able to:

- Develop a theological, psychological, and pastoral approach to working with children and youth
- Present Scripture in a relevant manner for children and youth
- Serve in parachurch ministries related to children and youth, e.g. church camps

- The Music Department seeks to encourage the student to cultivate musical skills and talent. Students are given opportunities to understand, appreciate, and utilize a variety of musical forms in several different contexts – worship, public performance, and private enjoyment.
- The Music Major Program is designed to equip students in music and worship ministry areas for the local church, to give them experience in performance, to help them gain expertise in their primary instrument (voice, guitar or piano), and to provide a foundation for further music study.
- Graduates who complete the Music Major will be prepared to:
 - Organize and direct music and/or worship ministry in the church.
 - Demonstrate proficiency in an area of performance or in worship leading.
 - Exhibit competency in the areas of music theory and conducting.
 - Display leadership skills in developing musical talent and skills in the lives of others.

ENTRANCE AUDITION

- Students intending to major or minor in music must demonstrate musical potential by successfully completing an entrance audition before the music faculty. Entrance auditions are held during Freshman Orientation (or arranged by permission from the music faculty). During the audition, students must perform three pieces that demonstrate their musical ability in their selected primary instrument (voice, piano, or guitar). One piece must be memorized. Contrasting styles of music are preferred.
- NOTE: Passing the entrance audition simply verifies that the student has potential to be a music major. At the end of 4 semesters of study, the music student must successfully complete the sophomore jury examination (a score of 19 or higher out of a possible 24 points) in order to be confirmed as a music major and complete the program.

APPLIED STUDIES

Music majors choose an emphasis

- Single Instrument Emphasis– emphasis on one primary instrument (voice, piano or guitar); follows a combination of classical and practical ministry approach to music study; 30-minute Junior recital, 60-minute Senior recital.
- Worship Arts Emphasis – emphasis on proficiency in two instruments (voice, keyboard and guitar); follows a practical ministry approach to music study; the student should be highly skillful in at least one instrument with potential to develop a second instrument to an intermediate level; 30-minute Junior worship recital, 60-minute Senior worship recital.

Music Majors – 9 credits of applied studies

- Single Instrument Emphasis:
 - Students must select a primary applied instrument (voice, piano or guitar) and accumulate eight applied credits.
 - It is recommended and generally expected that students will take one credit of applied primary instrument every semester until completion of their recital requirements.
 - In addition, students will take one applied credit in a secondary instrument, for a total of nine applied credits.
- Worship Arts Emphasis
 - Students must take six applied credits in a primary instrument (voice, piano, or guitar) two applied credits in a secondary instrument as well as taking at least one credit in the third instrument, to accumulate nine applied credits.

- It is recommended and generally expected that students will take applied lessons until completion of their recital requirements.
- All Music Majors
 - In addition to the applied credits, the student must participate in one performance group (choir, ensembles, or chapel band) each semester and accumulate two credit hours.
 - (Exceptions may be made for non-vocal students if no instrumental ensembles are available; must have permission of music faculty.)

Music Minors – 4 credits of applied studies

- A Music Minor must select a primary instrument (voice, piano, or guitar) and accumulate four applied credits. (It is recommended that students focus on their primary instrument until completion of their recital requirements.)
- In addition to the applied credits, a Music Minor must participate in a performance group (choir, ensembles, or chapel band) for two semesters and accumulate two credit hours.

RECITAL REQUIREMENTS

- Music majors must complete an individual sixty-minute senior recital. To prepare for this, they are encouraged to complete a thirty-minute junior recital. Music minors must complete a thirty-minute senior recital. A student may be advised to take additional applied hours during recital preparation.

JURY EXAMINATIONS

- All applied students go through a jury exam process at the end of each semester of study. A jury exam is similar to a final exam, except that the student demonstrates what he/she has learned by performing from his/her list of repertoire accumulated over the semester.
- A student interested in majoring in music is given four semesters of study to develop his/her instrument toward proficiency standards. At the end of four semesters of study, the student must successfully complete the sophomore jury examination in order to continue study as a music major. (A jury form is used with a point system to determine this. A “progress report” is given by the third semester of study to help the student set goals to be successful.)
 - Students with the single instrument emphasis must demonstrate a high level of proficiency in their primary instrument and the potential ability to perform a senior recital.
 - Students with the worship arts emphasis must demonstrate a high level of proficiency in their primary instrument and progress on their secondary instrument with the potential ability to perform a senior worship recital.

*This course substitutes for "Introduction to Music", a General Education course. It is a 2-credit class, but the credits are counted in the General Education core. Students may test out of this course by scoring well on the "Theory Proficiency" test.

**Students are required to be in a performance group every semester of study.
They may take more than 2 or more semesters for credit.

❖ Psychology / Counseling Major

Churches and para-church organizations increasingly turn to Christian counselors for assistance in meeting the needs of employees, members, and clients. Counseling in a Christian context can make a significant contribution to improving the life experience of individual Christians and to developing a healthier society. This degree does not lead to credentialing in Counseling, which almost always requires a graduate degree.

Graduates who complete the Psychology/Counseling Major will be able to:

- Demonstrate a detailed knowledge of psychological terminology
- Access and evaluate available community resources that may be helpful (e.g. professional counselors, health practitioners, support groups)
- Provide counseling on a non-professional basis within one's own church setting
- Comprehend and participate in research studies in psychology
- Demonstrate skills in selecting and using Scripture in the counseling process

MINORS:

Students may substitute a minor and General Electives for the additional major. The regular courses for General Education and Bible/Theology will remain the same. They may also take the required courses for a minor in addition to an additional major. This procedure would provide them with qualifications in an additional field of study. If a student has already taken a required course in the minor to fulfill a requirement for the major, then an elective in the minor's field of study may be taken to replace it. If no electives are available, then the student may take another general elective in its place. To receive the minor in addition to a major, a student must take the number of hours required by that minor in addition to the number of hours required for the major degree program. For additional graduation requirements, see "GRADUATION".

Music Minor

The Music Minor program, like the major, is designed to equip students in music and worship ministry areas for the local church, to give them experience in performance, and to help them gain expertise in their given area of instrument. The minor is designed for the student with other academic and ministry interests in addition to music and worship. It allows for a variety of electives to be chosen at the student's discretion and based on his/her interests and strengths. The music student with a minor in music will be prepared to:

- Provide a significant contribution to the music/worship ministry of a local church
- Demonstrate proficiency in an area of performance
- Exhibit competency in basic levels of music theory and conducting
- Display leadership skills in developing musical talent in the lives of others

Social Science Minor

This Minor exists to facilitate Great Lakes Christian College students who desire a GLCC degree but also plan on transferring to another college or university to pursue a vocation not offered by GLCC. Since the social sciences concentrate studies on human interactions in society, it is anticipated that this minor may be useful for students who are planning careers in areas such as social work, counseling, law, politics, or education. A broad selection of electives is listed to allow the student to design a program that is most relevant to his or her interests. Students who complete the Social Science Minor will be able to:

- Demonstrate a knowledge of and appreciation for social systems in various cultures
- Articulate how a Christian worldview impacts one's understanding of the Social Sciences
- Integrate Biblical and theological insight on the family with information drawn from the Social Sciences
- Articulate how insight from the Social Sciences enables the Christian to evangelize and serve the world

TESOL Minor

GLCC's TESOL program adheres to the guidelines of the International TESOL Association for independent TESOL certificate programs: "TESOL recommends that an independent TESL or TEFL certificate program should offer a balance of theory and practice regarding pedagogy and methodology, be taught by qualified teacher educators, and include a minimum of 100 instructional hours plus a supervised practice teaching component".

["TEFL/TESL Certificate Programs – Distance Learning Programs". *Tesol.Org*. Last modified 2017. Accessed February 15, 2017. <https://www.tesol.org/enhance-your-career/career-development/beginning-your-career/certificate-programs-and-distance-learning-programs#>.]

GLCC TESOL certification students are required to take and pass the Michigan Test for Teacher Certification exam. This is a high standard and is not required by the majority of U.S. or International TESOL certificate programs.

The Teaching English to Speakers of Other Languages Minor provides a high-quality innovative educational program that enables individuals to become highly competent instructors of ESOL; success in TESOL significantly contributes to the highest standard of language teaching and teacher training. The student who completes this minor will be able to:

- Demonstrate knowledge, understanding, and application of theory, principles, and practices pertaining to Teaching English to Speakers of Other Languages (TESOL)
- Demonstrate the ability to apply skills and strategies in alignment with TESOL English language proficiency standard
- Demonstrate knowledge and understanding of the influence of socio-cultural and linguistic factors in the instruction of language acquisition

COURSE DESCRIPTIONS

ACC 300

ACCOUNTING for DECISION MAKING 3 Hours

An examination of contemporary accounting issues relevant to decision makers and managers, such as principles, techniques, and various uses of accounting in the planning and decision making within organizations. Study includes generally accepted accounting principles and techniques for measurement and reporting of financial information in a balance sheet, income statement, and statement of cash flows.

ACC 310

INTERMEDIATE ACCOUNTING 3 Hours

Course reviews the contemporary accounting issues studied in ACC 300 and continues with a more comprehensive study of the major categories of the balance sheet, statement of cash flow, and income statements. In addition, students will be introduced to the accounting, analysis, and reporting of special topics such as pension/retirement, leases, inflation, income taxes, earnings per share, and revenue recognition.

BT 100

INTRODUCTION to BIBLICAL INTERPRETATION 2 Hours

An introduction to basic principles of biblical interpretation and secondary resources that aid in the study of the Bible.

BT 135

PERSONAL SPIRITUAL FORMATION 2 Hours

A study of basic concepts, methods, and materials for use in personal spiritual formation.

BT 320

The APOSTOLIC FATHERS 3 Hours

This course is an introduction to the writings of the Apostolic Fathers, the earliest extant Christian writings outside the New Testament. The objectives are 1. Gain familiarity with the authorship, background, and contents of these writings; 2. Examine the authors' use of scripture and traditional material; and 3. Trace the development of key theological issues.

BT 330

HUMANITY in CHRIST 3 Hours

Prerequisites: OT 211 & NT 211

An advanced seminar in which students develop a biblical theology for what it means to be a human being in Christ by exploring the Scriptures and engaging various theological accounts for key passages on issues such as ethnicity/race, the physical body, gender, family, individuality, and society.

BT 340

ECCLESIOLOGY 3 Hours

Prerequisites: OT 211 / NT 211

An advanced seminar that focuses on what the mission of the church is according to Scripture, how that mission informs our understanding of the church's nature, and how the church's nature informs every aspect of the church's life.

BT 350

SCRIPTURE and CHRISTIAN LIVING 3 Hours

Prerequisites: NT 312 / OT 312

This class examines how Christians may live in the contemporary world as people shaped by Scripture. Today Christians find themselves torn between competing "worlds." On the one hand, we are born or move into diverse cultures shaped variously by personal whim, majority consensus, and the powers-that-be. We are baptized, on the other hand, into a people who live by a different standard – the reign of God. In this class we use the compass of Scripture to help navigate the world of competing allegiances while faithfully bearing witness to God's reign.

BT 445

INTERTESTAMENTAL LITERATURE 3 Hours

Prerequisite: OT 210

A basic survey of the Apocrypha, Old Testament Pseudepigrapha, and Dead Sea Scrolls with particular attention to how they fill critical gaps in Israel's history, inform our reading of the New Testament, and enrich our understanding of angels, demons, heaven, and hell.

BT 450

HISTORICAL THEOLOGY 3 Hours

Prerequisites: NT 312 / OT 312

An advanced course tracing the history of theology from the first century to the twenty-first century. The most significant doctrines will be explored in the contexts in which they emerged and then evaluated in light of the Scriptures.

BT 451

BIBLICAL THEOLOGY 3 Hours

Prerequisite: NT 312 / OT 312

An advanced course that equips students with a biblical methodology for exploring key Christian doctrines. The class focuses on how to theologize from the entirety of Scripture while paying careful attention to the specific context of each passage as well its broader place in God's unfolding revelation.

BT 490, 491, 492, 493

SPECIAL STUDIES in BIBLE/THEOLOGY 1-3 Hours

Prerequisite: Instructor approval

Guided research and investigation in an advanced area of study.

BT 495

BIBLE/THEOLOGY INTERNSHIP

Prerequisite: Instructor approval

A one or two semester practicum in which students work with a GLCC's Bible/Theology professor. Students will gain Bible/Theology researching and teaching experience inside and outside of the classroom, including but not limited to, grading, preparing, and lecturing. The one semester option will average 10 hours of work per week, and the two semester option will average 5 hours per week.

CC 110

SPEECH FUNDAMENTALS 3 Hours

An introductory course in the delivery of speeches through participation, using both extemporaneous and outline forms.

CCM 276

CROSS-CULTURAL MINISTRY A.A. FIELDWORK 2 Hours

An independent study in which the student, in cooperation with a field supervisor and the Ministry Internship Coordinator, develops and completes a project integrating fieldwork and research components in cross-cultural ministry. For adult learning students only.

CCM 310

A HISTORY of CHRISTIAN MISSIONS 3 Hours

Prerequisite: CM 200

A historical and theological survey of Christianity's expansion over time, viewed through the lens of missionary biographies ranging from martyrdom stories to contemporary short-term missions trip testimonials.

CCM 315

GLOBAL EVANGELISM 2 Hours

Prerequisites: CM 200, SO 270 or SO 290

An advanced seminar examining the influence of culture upon the communication and contextualization of the Gospel, particularly during cross-cultural interaction.

CCM 370

NORTH AMERICA as a MISSION FIELD 3 Hours

Prerequisite: CM 200

An advanced study focusing on contextual issues unique to the global church's missionary efforts in the United States.

CCM 400

SHORT-TERM MISSION TRIP LEADERSHIP 3 Hours

Prerequisite: Instructor approval

A non-traditional study in which a student serves in a major leadership role for a short-term trip with responsibilities to include pre-field planning, relationship building and communication with host missionaries, fundraising and budget development, travel arrangements and administration, and devotional preparation and debriefing.

CCM 410

CRITICAL ISSUES in MISSION THEOLOGY 3 Hours

Prerequisites: BT 100, CM 200

An advanced, integrative seminar in which biblical texts on missions and evangelism are explored with attention to critical issues of Gospel content, contextualization, and translation.

CCM 470

URBAN EVANGELISM 3 Hours

Prerequisite: SO 270 or SO 290

A seminar discussing the dynamics and specific opportunities and challenges of evangelism in urban areas.

ADVISING

Academic advising is an essential component of higher education; therefore, GLCC is committed to providing the individual advice and assistance that students need at every step throughout their program. Students are assigned an Academic Adviser who will assist them in constructing course schedules that meet their needs and fulfill the requirements of the major.

Students are responsible for scheduling, preparing for, and keeping appointments with their advisers; seeking out contacts and information; and knowing the basic requirements of their individual degree programs. Students bear the final responsibility for making their own decisions based on the information and advice available and, ultimately, on their own judgment. Therefore, they should become knowledgeable about the policies, procedures, and rules of the College and its academic programs.

Advisers will assist students in developing a thorough knowledge of the institution, the structure of the curriculum (e.g., course progressions and prerequisites), and the requirements of their chosen major. Advisers are available to students on a regular basis, monitor their advisees' progress, assist students in considering career and curriculum options, and make appropriate referrals to other campus offices.

Students meet with their assigned adviser each semester: advisers conduct an academic audit for students prior to meeting which aids the adviser in offering academic support. In addition to receiving support from the adviser, the Academic Standing Committee meets every two weeks to evaluate all students' attendance and grades. Students who may be at risk receive personal attention and support from the Committee and are recommended to take advantage of tutoring lab or peer support services.

ATTENDANCE

Faculty at GLCC develop an attendance policy for each class based on the four criteria described below. The Vice President of Academic Affairs reviews each instructor's policy to ensure that it fulfills these four criteria.

1. An effective attendance policy promotes class attendance.
Since students learn through engagement and involvement in class instruction and discussion, an attendance policy supports and promotes student learning. Also, it encourages students to fulfill their responsibilities of contributing to the learning process of other students in the class. It also encourages good stewardship among students by ensuring that they receive the benefits for which they have sacrificed their finances and time. It will promote the development of personal discipline and responsibility.
2. An effective attendance policy sets clear expectations for class participation.
An attendance policy should be simple and understandable. It should not be open to interpretation.
3. An effective attendance policy is fair and equitable.
An attendance policy should recognize that students have responsibilities and needs that sometimes compete and conflict with their academic responsibilities. Therefore, it should allow opportunity for students to address those other concerns to a reasonable degree. An attendance policy should also be applied consistently for all students.
4. An effective attendance policy provides flexibility for its application by instructors.

Although an attendance policy sets the parameters for student attendance, it should allow each instructor the opportunity to determine specific details of its application. Instructors may differ in their views of the importance and necessity of class attendance, so they may implement the attendance policy in a way that reflects their own values. For example, instructors may differ in how much attendance should affect students' grades, whether to allow unexcused absences, and how many classes can be missed before a student automatically fails.

CHAPEL

Chapel is viewed as an important part of the process of spiritual formation at GLCC. Students receive 0.5 credits for a grade of "satisfactory" in Chapel. Chapel is regularly scheduled on Tuesday and Friday and on occasion, on Wednesday (e.g. Missions Emphasis Week, Lectureship, etc.). Graduates must successfully complete chapel credit for $\frac{3}{4}$ of the full-time semesters of attendance (for a maximum of 6 successful semesters, even if the student attends more than 8 semesters). If chapel requirements have not been completed by the final semester, the student may satisfy the requirement with a 3 credit Bible/Theology elective course.

CLASSIFICATION

Students enrolled in regular degree and certificate programs at Great Lakes Christian College are classified according to the number of credit hours earned:

Freshmen	0 – 30 semester hours
Sophomores	31 – 60 semester hours
Juniors	61 – 90 semester hours
Seniors	91+ semester hours

There are three additional classifications of students at Great Lakes Christian College:

Limited:	A student taking classes for credit but not pursuing a degree
A.L.P.:	A student over twenty-five years of age and enrolled in the Adult Learning Program
Audit:	A student enrolled for informational instruction only, not receiving college credit

COURSE CANCELLATION

Courses may be cancelled due to insufficient enrollment. A minimum of four students is required in a course taught by full-time faculty or five students in a course taught by an adjunct faculty. Required courses with fewer students than these minimums will normally be offered. Students will be permitted to amend their schedules by the add/drop date without fees or fines.

CREDIT by EXAM and ADVANCED PLACEMENT POLICY

Students may choose to accelerate their college career in one of two ways provided by the College Board: Advanced Placement (AP) and College Level Examination Program (CLEP). AP credit must be received before entering college. CLEP credit must be received before the end of the first semester of the senior year. Up to 25% (or 30.75 hours) of credit for an associate degree or up to 25% (or 15.75 hours) of credit for an Associate Degree may be earned through these programs. The results of these tests should be forwarded to the Registrar's Office.

Advanced Placement (AP)

The Advanced Placement Program of the College Board is implemented by high schools throughout the nation. For more information, visit <http://www.collegeboard.com/student/testing/ap/about.html>. The college follows the recommendation of the American Council on Education that a score of 3 or higher on an AP test will earn credit for the corresponding course at the college (see list below). Other AP tests that do not correspond directly to a course at GLCC can be counted as three hours toward general electives. A grade of "P" will be given for the course, and it will not be calculated in the student's GPA. Credits earned through AP testing will be charged a processing fee of \$30.00 for each test recorded. AP credit already awarded by another institution will not be subject to the processing fee.

College Level Examination Program (CLEP)

The College Level Examination Program of the College Board provides computer-mediated tests in certain subject areas that may be taken at designated testing centers. For locations of testing centers, visit <http://www.collegeboard.com/student/testing/clep/about.html>. GLCC follows the recommendation of the American Council on Education that a score of 50 on a CLEP test will earn credit for the corresponding course at the college (see list below). Other CLEP exams that do not correspond directly to a course at GLCC can be credited as three hours toward general electives. A grade of "P" will be given for the course, and it will not be calculated in the student's GPA. Credits earned through CLEP testing will be charged a processing fee of \$30.00 for each test recorded. CLEP credit already awarded by another institution will not be subject to the processing fee.

FEDERAL CREDIT HOUR DEFINITION

A credit hour is an amount of work represented in intended learning outcomes and verified by evidence of student achievement that is an institutionally-established equivalency that reasonable approximates not less than: (1) one hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class student work each week for approximately fifteen weeks for one semester or trimester hour of credit, ten to twelve weeks for one quarter hour of credit, or the equivalent amount of work over a different amount of time; or (2) at least an equivalent amount of work as required in paragraph (1) of this definition for other activities as established by an institution, including laboratory work, internships, practicum, studio work, and other academic work leading toward the award of credit hours.

FINAL EXAMS

Final exams are scheduled during the last week of each semester. Students must make arrangements for missing an exam prior to the scheduled exam time. Students may request a change in the exam schedule if three or more exams are scheduled for the same day.

GRADES

Each student's cumulative grade point average (GPA) will be computed at the end of each semester. A report of the student's grades, permanent record of the student's courses, credits, and grades are stored in the Registrar's Office. While the College only records grades on a 4.0 scale, the following equivalencies are often used:

Grade	Grade Point	Numerical Value	Description
A	4.0	97 – 100	Excellent
A-	3.7	93 – 96	
B+	3.3	89 – 92	
B	3.0	85 – 88	Good
B-	2.7	81 – 84	
C+	2.3	77 – 80	
C	2.0	73 – 76	Average
C-	1.7	69 – 72	
D+	1.3	65 – 68	
D	1.0	61 – 64	Poor
F	0.0	60 and below	Failing

W = Withdrew

IN = Incomplete*

DF = Deferred**

AU = Audit

* Incomplete When a student is unable to complete the required work for a course by the last day of the semester because of some unavoidable circumstance (such as serious illness or death in the family), the student may request a 30-day extension to complete the work.

** Deferred When a student is unable to complete the required work for an independent study, special study, research, or an internship during the registered semester, the student may request a maximum 90-day extension to complete the work.

To receive either an IN or DF, a student must obtain the appropriate form from the Registrar's Office, have it signed by the instructor, pay the \$20.00 fee to the Business Office, and return it to the Registrar's Office prior to the beginning of final exams. The student then has the allowable days to complete the work. At the end of the allowable time, the instructor is required to submit the grade as it stands at that time to the Registrar's Office. If no grade is submitted, the Registrar will assign a 0.0 for the course.

GRADUATION

Students intending to graduate from GLCC with either an Associate or Bachelor degree must meet the following requirements:

1. Attain a minimum 2.0 GPA upon graduation;
2. Successfully complete a minimum of 63 semester hours for AA or 123 semester hours for a B.S.;
3. Successfully complete the courses required in the General Education Requirements, Bible/Theology Major, and one of the following two options:
 - a. An additional major (see relevant requirements under "ADDITIONAL MAJORS"), or
 - b. A minor (see relevant requirements under "MINORS");
4. Satisfactorily fulfill the Outreach Ministries requirement;
5. Satisfactorily fulfill the Chapel requirement;
6. Take required exit evaluations.

Commencement ceremonies are held in May of each year. For students who complete their graduation requirements after the date of Commencement, the College can provide a diploma with a date of August 31 or December 31. Those students will be encouraged to participate in Commencement the following May. Students who have not fully completed all their graduation requirements will not be permitted to participate in Commencement.

Transfer of Credit and Graduation

For transfer students, a minimum of 30 semester hours of credit for the B.S., or 15 semester hours of credit for the AA (25%) must be taken from GLCC to graduate.

At least half of the required hours for a major or minor must be completed at GLCC.

Exit Examinations and Graduation

To participate in Commencement, seniors are required to complete exit surveys, but they do not affect one's grades or class standing.

GRIEVANCE POLICY

The first step in the grievance procedure is communication between the student and the faculty member. In the event the student and faculty member cannot reach a resolution on their own, the Vice President of Academic Affairs will arbitrate the dispute between the parties. This process begins with the written submission of the grievance to the Vice President of Academic Affairs. The Vice President of Academic Affairs will personally talk with the faculty member and the student. If the student-faculty grievance directly involves the Vice President of Academic Affairs, a committee of no less than two faculty members will be appointed to serve as a Grievance

Committee. The Vice President of Academic Affairs' (or the Faculty Grievance Committee's) decision on academic matters is final. Non-academic matters may be appealed to the President of the College.

GRADUATION HONORS

Students who have achieved academic excellence will be given the following honors upon granting of the Bachelor of Science degree:

3.3	cum laude
3.5	magna cum laude
3.8	summa cum laude

Each graduating class of baccalaureate students will have a valedictorian and salutatorian, provided the students with the highest GPAs have at least achieved *cum laude* (3.3 GPA). Transfer students must complete a minimum of 60 semester hours at GLCC for valedictorian or salutatorian eligibility.

HONORS

In order to encourage academic excellence and Kingdom witness, the College has provided for the recognition of achievement in these areas in the following ways:

Academic Award

This award recognizes students who attained two successive semesters of 3.5 g.p.a. or better.

Bible / Theology Award

The purpose of this award is to recognize a graduating senior who demonstrated academic excellent in the area of Bible and theology.

Choir Award

This award is presented to a graduating senior who consistently displayed excellence in the area of music.

Christian Education Award

This award is presented to a graduating senior who displayed excellence in the Christian Education major.

Christian Communication Honors Award (CCHA)

This award exists to recognize, foster, and reward outstanding academic achievement in communication studies. One graduating senior with a major in Interpersonal and Organizational Communication may be chosen for this award each year. Recipients of the CCHA are inducted as honorary members of "Alpha Kappa Iota" GLCC's own honor society of the National Communication Association.

Dean's List

At the end of each semester a list of the full-time students (12 hours or more) who have a semester grade point average of 3.5 or above will be posted.

Diakonos (The)

Awarded to a student who demonstrated faithful witness among the Great Lakes Christian College family with an attitude of service, industry, and humility.

Family Life Education Award

This award is presented to an outstanding Family Life Education major with a 3.5 GPA or higher who demonstrates academic excellence, Christian character, and community service.

International Student Recognition

This award is presented in recognition of the faith and commitment of an international student who has completed a degree with the intention of returning to his/her home country to use the training received at GLCC.

Outreach Ministries Award

This award is given in recognition of a student who is proved to give exemplary service to others in his/her freshman year.

Outstanding Music Student Award

Awarded to a graduating music student who demonstrated excellent and commitment in the area of music.

Preaching Award

This award is presented to a graduating senior who displayed excellence in the area of preaching.

Psychology/Counseling Award

This award is given to a graduate with a psychology / counseling major who consistently demonstrated Christian character and academic excellence.

Sigma Delta Delta

The purpose of Sigma Delta Delta, the honor society of Great Lakes Christian College, is to encourage and honor academic excellence in those pursuing a life of ministry. Persons eligible for membership are seniors graduating with honors from GLCC. Election to membership is upon recommendation of the faculty and the approval of the Board of Trustees.

Stone-Campbell Journal Award

This award is presented to graduating students who have outstanding potential to be scholars in Bible, theology, history, or cultural criticism. (Awarded by stone-campbelljournal.com)

TESOL Award

Presented to a graduating senior for displaying excellent in Teaching English to Speakers of Other Languages.

Zondervan Biblical Greek Award

Zondervan Publishing provides an annual award for the outstanding student in Greek. The recipient is selected by the Bible/Theology faculty upon the recommendation of the Greek instructors.

Zondervan Biblical Hebrew Award

Zondervan Publishing provides an annual award for the outstanding student in Hebrew. The recipient is selected by the Bible/Theology faculty upon the recommendation of the Hebrew instructors.

Zondervan Theology Award

Zondervan Publishing provides an annual award for the outstanding student in Theology. The recipient is selected by the Bible/Theology faculty upon the recommendation of the Theology Professor.

HONORS CHAPEL

Honors Chapel is held during one of the last Chapel sessions of the College year. Special recognition is given for achievement in academics.

INDEPENDENT STUDIES

Independent Studies are designed for junior or senior students to provide an opportunity to take required classes that they are unable to take as regularly scheduled because of scheduling conflicts caused by the College. To take an Independent Study, the student must, at least one week prior to the start of the semester, obtain a Non-Classroom Instruction Form from the Registrar's Office, complete the student portion, have the instructor complete the requirements, and have it approved by the Vice President of Academic Affairs.

MAJOR - MINOR DECLARATION

All students studying for a Bachelor degree must select a major or a minor and file a Major-Minor Declaration form with the Registrar's Office prior to the junior year. Students studying for an associate degree must file a major-minor declaration form prior to the sophomore year. It is to the student's advantage to return the form to the Registrar's Office as early as possible.

Students must fulfill the requirements (General Education, Bible/Theology, Majors, Minors, and Electives) as stated in the catalog for the year in which the student first entered GLCC. Students who do not enroll for two consecutive semesters re-enter under the current catalog.

MID-SEMESTER GRADES

Mid-semester reports of current grade status are issued by the middle of the eighth week of the semester. Students may receive a letter-grade or simply a Satisfactory/Unsatisfactory status. This report is intended to be an indicator of general progress for the course up to that time. Mid-semester reports do not affect a student's GPA, nor does it promise a final grade, only a prediction based on work-to-date.

MILITARY LEAVE POLICY

Students who are called up for active military duty during the semester will have three options for receiving academic credit and refunds. First, students may choose to receive a W ("withdraw") for the course. Second, if a student is called up near the end of the semester, he or she can request an "incomplete" for a course and complete the requirements at a later time. This option is subject to the approval of the instructor. Third, students may receive partial credit for the course. For example, a student who has completed five weeks of a course may receive one hour of credit for a three-hour course. The remaining portion of the course could be completed at a later time either through independent study or by participating in the remaining portion of the course. The amount of credit awarded will be determined by the Vice President of Academic Affairs.

With the first option, students can receive a full refund of tuition and a pro-rated refund of room and board. With the second option, students can receive only a pro-rated refund of room and board. With the third option, students can receive a pro-rated refund of room and board and a refund of the tuition for that portion of the course for which no credit is awarded. With any option, they can also choose to leave the funds on their account if they plan to return to the College.

OUTREACH MINISTRIES

Great Lakes Christian College views Outreach Ministries as a vital part of the mission of preparing servant-leaders for the church and world. Students serve in a variety of capacities in churches, parachurch organizations, and in the community on a regular basis. For a "Satisfactory" grade, each full-time student must serve a minimum of 15 hours during the semester and receive a satisfactory evaluation from the Director of Outreach Ministries and a field observer. Great Lakes requires that all full-time students receive a "Satisfactory" grade for 75% of their semesters at GLCC. Guidance is provided by the Outreach Ministries Director and academic advisers concerning the selection of specific outreach ministries of the student's choosing. Detailed information concerning the program is provided in the Outreach Ministries Handbook.

An "Outreach Ministries" award in the form of a \$400.00 grant is awarded annually in the Spring Semester to a freshman who has proved to be exemplary in their service during their freshman year. This grant is sponsored by the Duplain Church of Christ, St. Johns, Michigan.

PLAGIARISM

The copying of any material (direct or paraphrased) from another source without proper acknowledgement or citation is plagiarism and will not be tolerated. Plagiarism is considered unethical, and any student involved in such action will be referred in writing to the Dean of Academic Affairs for further disciplinary action and may receive a grade of 0.0 for the course.

PRIOR LEARNING ASSESSMENT (PLA) POLICY

The student seeking PLA must be an enrolled student at GLCC. The student should meet with his or her academic advisor within the first semester of enrollment to declare a program of study and intent to pursue PLA.

Great Lakes Christian College follows the CAEL (Center for Adult and Experiential Learning) standards for assessing learning:

- Credit or competencies are awarded only for evidence of learning, not for experience or time spent.
- Assessment is based on criteria for outcomes that are clearly articulated and shared among constituencies.
- The determination of credit awards and competence levels are made by appropriate subject matter and credentialing experts.
- Institutions proactively provide guidance and support for learners' full engagement in the assessment process.
- All practitioners involved in the assessment process pursue and receive adequate training and continuing professional development for the functions they perform.
- Fee charged for assessment are based on services performed in the process rather than the credit awarded.
 - PLA through portfolio is limited to subject areas offered in the College catalog.
 - PLA credits approved by GLCC are limited to 80 credits.
 - PLA credits approved by GLCC may not be transferred to other colleges.
 - PLA will be shown as transfer credit and will not count toward residency requirements or as credits taken at GLCC.

PROBATION and SUSPENSION, ACADEMIC

Semester Warning

Students failing to achieve a 2.0 GPA in one semester, but whose overall GPA is still above a 2.0, will be placed on semester warning. This status **does not** affect the student's academic, social, or athletic eligibility. It **does** serve as a warning, urging the student to improve his or her academic standing.

Academic Probation

- *Probation 1* - Students failing to achieve an **overall GPA of 2.0** and applicants whose credentials indicate a likelihood of difficulty in performing at a college level will be placed on Probation 1.
- *Probation 2* - After **one semester** on Probation 1, if the student's GPA still falls below a 2.0, the student will be placed on Probation 2.
- *Committee Referral*
 - *Academic Suspension* - If the student fails to raise his/her cumulative GPA to 2.0 or higher after one semester on Probation 2, the Academic Standing Committee may choose to place the student on Academic Suspension.
 - *Extended Probation* - However, instead of suspension, the Academic Standing Committee may choose to extend probation if the student has made significant progress.

Note: Probation 1, Probation 2, Extended Probation, Academic Suspension, and Probation Removal will be noted permanently on the student's official transcripts.)

A probationary student can take a maximum of **13.5 semester credits** and is **not** permitted to participate in extra-curricular activities without the special permission of the Vice President of Academic Affairs. If probation is extended for a student receiving veterans' benefits, the United States Department of Veterans Affairs will be informed.

A student on academic probation, regardless of the level of probation will be placed in the one credit class, GS 110 - Academic Advancement. The student will receive a grade in the class and failure to pass this class may result in academic suspension.

Academic Suspension

A student on Academic Suspension may not re-enroll for one semester. To reapply, the student must submit a Readmission Application to the Admissions Office prior to the beginning of the semester. Any student who has been

placed on suspension must write an essay on how they will be successful upon returning and the student must be interviewed by the Academic Standing Committee before being readmitted. The Academic Standing Committee will then act on the application. The deadline for the application and essay is July 1 for the Fall Semester and October 1 for the Spring Semester.

A student who is readmitted after an academic suspension is on **permanent probation** and **must** earn an acceptable GPA or face dismissal.

A student's academic success at GLCC depends greatly on his or her class attendance and participation. Accordingly, any student missing 50% or more of all his/her scheduled classes may be withdrawn from the college. Students facing exceptional circumstances which require a period of absence must communicate such in writing to the Academic Dean. Students dismissed due to poor attendance still bear responsibility for all financial obligations for the entire semester in which they enrolled.

RELEASE of INFORMATION POLICY

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the College receives a request for access. Students should submit to the Vice President of Academic Affairs, written requests to identify the record(s) they wish to inspect. The Vice President of Academic Affairs will arrange for access and notify the student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the student believes are inaccurate or misleading. They should write the College official responsible for the record, clearly identify the part of the record they want changed and specify why it is inaccurate or misleading. If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, faculty, academic or research, or support staff position (including law enforcement personnel and health staff); a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Great Lakes Christian College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
600 Independence Avenue, SW
Washington, DC 20202-4605

Directory information includes the following: name, GLCC address and telephone number, major field of study, dates of attendance, degrees and awards received, the most recent previous educational agency or institution attended by the student, and participation in officially recognized activities. Only the Registrar's Office disseminates directory

information. All inquiries for such information should be forwarded to the Registrar. Students may see the Registrar to request non-disclosure of directory information. This request must be made in writing by the add/drop date each semester.

SATISFACTORY ACADEMIC PROGRESS

Federal regulations require that Great Lakes Christian College (GLCC) review the academic progress of students receiving federal financial aid. In order to continue receiving federal and state financial aid, students must maintain satisfactory academic progress (SAP). Certain academic standards determine if students are achieving SAP, as explained below.

Cumulative GPA Standard

To receive federal student aid, students must maintain a cumulative GPA of 2.0 or higher. The cumulative GPA is calculated from all courses earning a numeric grade. In the case of repeated courses, only the most recent grade is calculated in the cumulative GPA.

Credit Completion Ratio Standard

Students must maintain steady progress toward completing their degree. Students must maintain a pace of completing at least 66.67% of their attempted credits. The credit completion ratio is calculated from all courses earning a numeric grade, as well as all repeated enrollment courses, all transfer credits, and all courses with a posted grade of SA, UN, and W.

Both the Cumulative GPA Standard and the Credit Completion Ratio Standard must be met for a student to continue receiving federal and state financial aid.

SAP Review Procedure

At the conclusion of each semester, GLCC will review every student's cumulative GPA and cumulative credit completion ratio. Failure to meet the standards listed above will result in the following:

Financial Aid Warning (After 1 semester):

1. Students who drop below SAP standards will be placed on financial aid warning for one semester and will be notified of their financial aid warning status.
2. During the following semester, students in warning status continue to be eligible for federal and state financial aid. Students on financial aid warning are strongly encouraged to re-evaluate their academic progression toward the completion of their degree, obtain academic advising, and pursue other academic support resources to aid their academic success.
3. Students taking 6 or more credits who receive a 0.0 semester GPA will automatically be placed in Financial Aid Disqualification with no intervening warning status.

Financial Aid Disqualification (After 2 or more semesters):

1. Students who are not achieving SAP after at least two semesters of enrollment will be placed on financial aid disqualification and be notified of their disqualification status. NOTE: The two semesters of enrollment refer to *any* two semesters of enrollment, even if the two semesters are not consecutive.
2. Students who are placed on financial aid disqualification become ineligible to receive federal and state financial aid. Eligibility is regained upon a student reaching the cumulative GPA and Credit Completion Ratio standards.
3. Students may appeal their disqualification status. The appeal process is described below.

Appealing a Financial Aid Disqualification:

1. Students may appeal the disqualification of their federal and state financial aid by writing a letter to the Financial Aid office, documenting any extenuating and/or mitigating circumstances that contributed to their

inability to maintain SAP. (Examples include death in the student's family, prolonged illness or injury to the student, documented mental illness in the student, or other exceptional circumstances.) The Financial Aid office will review each student's appeal and notify the student as to whether his/her appeal was accepted or denied.

2. If the appeal is denied (or if no appeal was made), the student is disqualified from federal and state financial aid until he/she reaches satisfactory GPA and Credit Completion Ratio standards. Until these standards are met, the student must make other financial arrangements in order to attend GLCC.
3. If the appeal is approved, the student will be placed on Financial Aid Probation for one semester. Students on probation must reach satisfactory GPA and Credit Completion Ratio standards by the end of the probationary semester in order to avoid re-entering disqualification status.
4. The Financial Aid office may choose to extend a student's probation beyond one semester if the office believes the student will require more than one semester to reach the required standards. If a decision to extend probation is made, the student will be placed on an academic plan, with the student's progress being evaluated again at the end of each semester. Failure to meet the standards stipulated in the academic plan will result in the student's disqualification from federal and state financial aid.
5. Any student who is disqualified from federal and state financial aid will regain qualification upon reaching the Cumulative GPA and Credit Completion Ratio standards.

SCHEDULE CHANGES

ADDING / DROPPING / AUDITING COURSES

Students can add courses, drop courses, or change course status to audit until the Add/Drop deadline (approximately two weeks into the semester). No classes may be added, dropped, or changed to audit after the Add/Drop date. This date is published in the Academic Calendar for each semester. After that date, the policy on "Withdrawal" will apply, and students may forfeit any returnable fees.

TRANSCRIPTS

Requests for transcripts must be submitted in writing to the Registrar. Transcript requests can be completed and submitted to the Registrar's Office by using the online form on the Registrar's webpage at www.glcc.edu/academics/registrar-office. Prior notice of 3 to 5 business days is required for pickup. Requests must include the following information: name (as it was while attending), Social Security number, dates of attendance, a complete address of the recipient, and signature. As a service to our students and alumni, GLCC does not charge for transcripts. The College, however, reserves the right to charge for multiple copies, frequent requests, or rush requests. Former students may also request transcripts via the College's website, in the Academics section, under Registrar's office.

Students with an outstanding balance with the College Business Office may not be able to obtain official transcripts.

TRANSFER of CREDIT

Credit for comparable courses taken at other colleges and universities accredited by institutional and professional agencies recognized by the Council on Higher Education Accreditation (CHEA) may be transferred to GLCC, provided the student has received a 2.0 (C) or better in the course(s). A student may transfer courses equivalent to GLCC courses or others that apply to the program of study.

Non-Accredited Institutions.

GLCC may allow some credit for studies from an institution not accredited by an agency recognized by CHEA on a case-by-case basis. In such instances, the following conditions apply: 1) Coursework considered for transfer from

unaccredited institutions must demonstrate that it represents collegiate coursework relevant to the degree with course content and level of instruction resulting in student competencies at least equivalent to those of students enrolled in GLCC's own degree programs; 2) Students transferring from unaccredited institutions, in addition to having official transcripts sent to GLCC, must provide college catalogues, course syllabi, and verification of the academic qualifications of the teaching faculty; 3) Transfer students from unaccredited institutions must enroll at GLCC for one semester for a minimum of 12 semester hours and earn at least a 2.0 or "C" overall grade point average before transfer credits will be applied. GLCC may require a test to validate the learning experience. The criteria for acceptance of non-accredited institutions credit will be kept in the student's academic record.

Military training and experience.

GLCC may allow credit for military service school experiences and military occupational specialties. The decisions will be guided by the evaluations prepared by the American Council of Education (ACE) and published in the *Guide to the Evaluation of Educational Experiences in the Armed Services*.

Dale Carnegie(R) Training.

GLCC may allow credit for completion of a Dale Carnegie(R) Training Program. The decision will be guided by the evaluations prepared by the American Council of Education (ACE). GLCC accepts ACE recommendations for college credit hours awarded.

Transfer credits are not counted in the calculation of the grade point average. GLCC will use a "SA" to indicate passing for allowable transfer credit. Official transcripts must be sent directly from the institution to the Office of the Registrar at Great Lakes Christian College, 6211 West Willow Hwy., Lansing, MI 48917. Students desiring to have transcript evaluations completed *prior to enrollment* should have official transcripts from all prior coursework sent to the Admissions Office at the above address. Students assume responsibility in the transfer process to provide necessary information such as course descriptions and/or syllabus if necessary.

For questions or more specific information regarding the Transfer of Credit from either an accredited or unaccredited institution, contact the Vice President of Academic Affairs or the Registrar.

WITHDRAWAL

During the first eight weeks of instruction, students who withdraw from a course will receive a W, which does not affect the student's GPA. After the first eight weeks of instruction, the instructor will submit a grade. In either case, no credits will be earned. A W will not be calculated in the GPA. Students may not withdraw from classes after nine weeks of instruction have been completed. In cases of catastrophic illness or other exceptional circumstances, the student may petition the Vice President of Academic Affairs for special consideration.

To withdraw from college, a student must obtain a "Withdrawal from College" form from the Registrar's Office. The student must obtain signatures from professors, Registrar, Resident Supervisor, Dean of Students, Director of Library Services, Business Office, Financial Aid Director, and Vice President of Academic Affairs to certify that all obligations have been settled.

Student Development & Resources

COUNSELING

Each faculty member seeks to establish a personal relationship with students, aiding them in selecting academic goals and encouraging them in personal spiritual growth. In addition, the Dean of Students, Campus Life Coordinator, Resident Assistants, and Student Activities Crew members help students work through any concerns or problems that may arise from college experiences. Confidential referrals for counseling may be available from the Dean of Students for any College family member that seeks assistance.

DISCIPLINE

Great Lakes Christian College desires to impose no more regulations upon its students than are necessary for orderly operations. Those it does impose are for the common good and maintenance of a Christian educational atmosphere.

The College requires the highest standards of citizenship and moral character in accordance with New Testament Christianity. Students who attend the College should be Christians who are fully aware of the conduct that is befitting Christians. The standards expected of Christians are described in the Student Handbook. All students are expected to conduct themselves as Christians at all times and under all circumstances. Students who violate the Student Handbook may face disciplinary action by the Council for Student Conduct and Restoration, up to and possibly including suspension or even expulsion.

In cases of non-academic suspension, Great Lakes Christian College reserves the right to deny readmission if there is reason to believe a student will not adjust to the expected standard of conduct.

FOOD SERVICE

Great Lakes Christian College maintains a Cafeteria and meal plans may be purchased through the Business Office.

HEALTH SERVICES

Each student is responsible for providing the student's own health and accident insurance. Health services are available at area hospitals and clinics.

HOUSING

All single undergraduate students under the age of twenty-one not living with a relative and taking nine or more hours of instruction are required to live in one of the on-campus residence halls. Requests for exceptions must be approved by the Vice President of Enrollment Management and the Dean of Students.

The College maintains residence halls for single male and female students, as well as an apartment building for family housing. The buildings for single men and women are furnished. The Dean of Students oversees each building, and Resident Assistants help oversee activities in Men's and Women's Residences. Laundry facilities are available in each building.

LIBRARY

The mission of the Louis M. Detro Memorial Library is to support Great Lakes Christian College in its goal of preparing students to be servant-leaders in the church and world by facilitating the teaching, research, and lifelong learning of its students, faculty, alumni and area congregations and by assessing, anticipating, and providing essential resources, services, and instruction. To support this mission the Library maintains a collection of over 60,000 items including books, magazines, and audio/visual materials. All these materials can be searched using our online catalog located on the Library's website at <http://www.glcc.edu/Academics/Library>.

The Library has access to over 50 online computer databases in order to access periodicals, encyclopedias, dictionaries, full-text books and other references resources. With these databases, patrons of the Library have access to over 10,000 full-text periodical titles. A list of these databases and the resources available in each of them can be found under the "All Databases" link on the Library's website. The Library maintains 12 computer workstations in the adjacent Technology Center for patrons to be able to access these databases. Wired and wireless Internet access is also available throughout the Administration Building and dorm rooms for patrons to access these databases on their personal computers, and many of these databases can also be accessed off campus using the "Off-Campus Access to Research Databases" link on the Library's website.

The Library can also obtain books, journal articles, and audio/visual materials from thousands of libraries across Michigan and the United States using the OCLC Interlibrary Loan System and MeLCat. Interlibrary loan requests can be made directly through the MeLCat online catalog. If you need help learning how to use the ILL system, see a library worker at the circulation desk or email library@glcc.edu.

The Library's hours and policies can be found on the Library's website. The Library can be reached by telephone at (517) 321-0242 ext. 251 or by emailing Heather Bunce at hbunce@glcc.edu.

PEER SUPPORT

Peer Support is a team of trained upper class psychology majors who are available to support students as they work through various issues in a safe, confidential setting. Peer Services are open to all registered Great Lakes Christian College students. Peer Support is available to discuss matters, including:

- Adjustment to college life
- Balancing life's various facets & responsibilities
- Personal issues
- Relationship difficulties
- Approaching life transitions
- Referrals to professional staff

STUDENT ORGANIZATIONS

ATHLETICS

Great Lakes Christian College provides a program of athletics in which the "Crusaders" compete in a variety of intercollegiate sports. The College is a member of the National Christian College Athletic Association, which enables it to have a national affiliation that is Christian in nature. Within that organization, comprised of Bible colleges, GLCC is a Division II school.

ENSEMBLES

Musical ensembles travel each year presenting special music and college programs in churches, camps, and schools.

STUDENT DEVOTIONS

Scheduled devotional sessions are conducted in each suite and residence hall, as well as for the entire student body.

THE CREW

The Crew exists to actively service our diverse student body by programming events that foster a campus community that encourages holistic personal growth. The Crew consists of a group of student leaders; to become a member of the Crew, students may apply to the Dean of Students and go through a brief interview process.

TUITION and FEES

A schedule of tuition and fees is available by contacting the College Admissions or Business Office.

STUDENT PAYMENTS

At registration, the student will receive written notification of the total amount of tuition, fees, and room and board charges due. If a student has been awarded financial aid, the Financial Aid Office will arrange for the proper credit to the student's account. It is the student's responsibility to have all financial aid documentation completed and to contact and arrange any outside scholarships or other sources of funding prior to the day of registration. Registration is considered incomplete until arrangements have been made for full payment of all charges. Major credit cards may be used to pay student accounts. Payment plans are available through contacting the Business Office at 517-321-0242 ext. 252.

REFUNDS

If a student decides to withdraw from GLCC or reduce credit hours, tuition and fees will be refunded according to government guidelines or in accordance with schedules published each semester, whichever is applicable.

FINANCIAL AID

Great Lakes Christian College endeavors to keep costs within reach of all students so that as many as possible can benefit from a Christ-centered education. Even so, financing a college education can be challenging. If a student has need, financial aid programs are designed to help meet that need.

STUDENT FEDERAL GRANTS

Many Great Lakes Christian College students take advantage of various U.S. Department of Education programs that enable them to further their educational goals.

PELL Grant

This grant is made available through the U.S. Department of Education. Application is made by completing the Free Application for Federal Student Aid (FAFSA). (Enter 002269 for the Title IV Code). Awards are based upon demonstrated financial need as determined by government formula.

Federal Supplemental Educational Opportunity Grants (FSEOG)

If a student has demonstrated a financial need the student may be considered for the FSEOG. The award is based on the family's ability to contribute as determined by the FAFSA.

Veterans' Benefits

Financial assistance is available to veterans of the U.S. Armed Forces. Benefits may vary according to the specific government program. Contact the Financial Aid Office for more information.

Vocational Rehabilitation Grants

Students with physical or mental impairment are encouraged to apply for this grant. The State Vocational Rehabilitation Division determines the grants, which may be applied to tuition and certain fees.

STUDENT STATE GRANTS

Michigan Competitive Scholarship

Available to Michigan students attending public and non-public Michigan colleges and universities. Applicants must take the American College Test (ACT) prior to college entry and release the scores to the State of Michigan. Participating in the April, June, or October test dates of the year prior to entering college assures consideration for the student's freshman year.

Michigan Tuition Grant

Available on the basis of demonstrated need to Michigan students attending non-public degree-granting Michigan colleges and universities.

Note: A student cannot receive a Michigan Competitive Scholarship and a Tuition Grant at the same time. The student must be pursuing an A.A. or B.S. degree to be eligible for either program. A student may apply for these awards through the Free Application for Federal Student Aid (FAFSA). The first Michigan college listed on the FAFSA is the college through which the State processes any award. If the student chooses to attend a different college, the State must be informed of this change at 1-888-4-GRANTS. State law mandates that this grant be used only for tuition.

Tuition Incentive Program (T.I.P.)

Available to Michigan resident students who had Medicaid coverage for 24 months within a 36-consecutive month period as identified by the Michigan Department of Human Services (DHS). For more information see www.michigan.gov/ssg or call 1-888-4-GRANTS.

STUDENT LOAN PROGRAMS

If a student does not have immediate resources to complete payment for educational expenses, the student may choose to borrow through several loan programs.

Direct Student Loans

A student may apply for these government-assisted loans (subsidized and unsubsidized) after completing the Free Application for Federal Student Aid (FAFSA). Repayment begins six months after the student ceases to be enrolled at least half-time.

Direct Parent Loan for Undergraduate Students (PLUS)

Parents may borrow for the cost of a student's education using this program. PLUS loans are subject to the same repayment rules and regulations as Direct Student Loans. Independent students and dependent students whose parents are denied a PLUS loan may borrow an additional unsubsidized loan.

STUDENT EMPLOYMENT

Many students need to earn a portion of the cost of their education while in college. Applications for Great Lakes Christian College employment are provided through the College Business Office.

Federal Work-Study (FWS)

If a student has a financial need, the student may be able to participate in this Federally-funded program. There are many jobs on campus in a number of different areas of the College. Eligibility is based on the FAFSA.

Off-Campus Employment

Many students find part-time employment in retail stores, restaurants, and other areas of employment in the general vicinity of the College. Great Lakes Christian College students have an excellent reputation with employers in Lansing. Many call the College for student referrals. Employment information is posted by the College.

COLLEGE GRANTS AND SCHOLARSHIPS

Great Lakes Christian College makes available several grants and scholarships to students who demonstrate special ability and/or who show financial need. All students who wish to apply for scholarships must also apply and be accepted for admission.

Scholarships are granted to students who are in good standing with the College. Any returning student for the Fall Semester with a probationary status is ineligible for the following GLCC scholarships.

Students qualifying for GLCC scholarships will be awarded an amount which may equal but not exceed the total amount charged for GLCC tuition. GLCC scholarships apply only to Great Lakes Christian College courses, not extension courses, co-op courses, online consortium courses, or private instruction. Only on-campus, resident students may receive GLCC scholarships in excess of \$3,500 in any given semester.

The following group of scholarships require that a student submit a completed Scholarship Application and FAFSA each year to receive consideration for an award.

Scholarship and FAFSA Applications are available from the Admissions Office and the Business Office.

*The following grants and scholarships are funded directly by Great Lakes Christian College.
Each scholarship has particular requirements which must be met by students accepted for admission.
No combination of these scholarships can exceed the cost of tuition in a given semester.
Off-campus students may not receive more than \$3,500 in GLCC scholarships in any given semester.*

Academic Scholarship

Academic Scholarships are based on American College Test (ACT) scores or Scholastic Aptitude Test (SAT) scores and high school grade point average (on a four-point scale). Tests must be taken on national dates rather than residually. Scholarships can be renewed for a maximum of four years; the cumulative grade point average of enrolled students will be evaluated after each year at GLCC. Academic Scholarships cannot apply toward extension or co-op courses. The following chart may be used to calculate annual Academic Scholarship awards:

ACT → SAT →	20 – 24 1020 – 1190 or No test submitted	25 – 27 1200 – 1300	28 – 29 1310 – 1380	30 – 36 1390 – 1600	← ACT ← SAT

These changes were made in response to the current difficulty of completing standardized testing due to COVID-19. See the 2020-21 Academic Catalog for our previous academic scholarships chart. GLCC plans to return to the previous chart in the 2022-23 Academic Year.

Failure to maintain the renewal GPA will result in a reduction or elimination of the academic scholarship.
Once reduced or eliminated, academic scholarships cannot be reinstated at their former level.

Children of Alumni Scholarship

Children of GLCC Alumni, whose parents are current members of the Alumni Association, receive a \$1,000 non-renewable scholarship for their freshman year.

Children of Missionaries Scholarship

The Children of Missionaries Scholarship provides qualified applicants with a scholarship equal to the cost of tuition for the classes in which the recipient has enroll in any given semester. To receive this scholarship, a student must be a child of a missionary who is employed full time by a mission agency or ministry, whether domestic or foreign, that is recognized as a non-profit, cross-cultural organization. Recipients must apply for Federal Financial Aid. Any federal and state grant money will be applied before the Children of Missionaries Scholarship, after which the Scholarship will be credited toward remaining categories of educational expenses up to the cost of tuition for each semester's classes.

Lucy Higgs Bible Bowl and NACC Scholarships **

Members of any Bible Bowl team which has placed first, second, third, or fourth at the North American Christian Convention, or the first, second, third or fourth place finishers in the Individual Achievement Test or the Preaching Contest at the NACC are eligible to receive special scholarships.

Team Scholarships

First Place = \$24,000 Second Place = \$17,000 Third Place = \$12,000 Fourth Place = \$ 9,800

Individual Achievement Test Scholarship

First Place = \$24,000 Second place = \$17,000 Third place = \$12,000 Fourth place = \$9,800

Minister's Children Scholarship

This scholarship is available to full-time students who live on campus, and who have a parent employed as a full-time, ordained or church-approved minister. The Scholarship pays the remaining cost of tuition after all free Federal and State aid has been applied.

Music Scholarship

Applicants for the Music Scholarship should submit an audition recording with twenty minutes of music that best displays their musical talent. The recording should be submitted by May 1 to the College Music Faculty.

Preaching & Teaching Competition **

Participants in state preaching/teaching contests may receive the following awards:

First Place = \$1,800 Second Place = \$1,350 Third Place = \$900 Fourth Place = \$450

Awards, places, and amounts may be split where there are two separate contests

Promise Scholarship

Students participating in "Promise," GLCC's summer music camp program, may receive a scholarship in the amount of the enrollment fee for the camp program. Students who participate over multiple years will only qualify for a scholarship for the last year's enrollment fee.

Spouse or Family Grant

Families with more than one student enrolled at GLCC full-time during the same semester are provided with this grant. Each family member receives an amount equal to one-quarter of their GLCC tuition. "Families" are defined by Federal Title IV guidelines. (Spouses of trustee scholarship recipients are not eligible for this grant.)

**** COMPLIANCES:**

Scholarships will be divided over eight consecutive full-time semesters beginning the fall semester following high school graduation. Total of all scholarships combined may not exceed the cost of GLCC tuition in a given semester. Scholarships have no cash value. An updated list of scholarships is available from the College Business Office.

BOARD of TRUSTEES

Great Lakes Christian College is directed by a Board of Trustees composed of business and professional people, educators and ministers from Churches of Christ/Christian Churches. The By-Laws provide that Trustees shall serve terms of four years and then not be eligible for re-election for a period of one year.

A PHILOSOPHY for TEACHING FACULTY

The role of teaching faculty at Great Lakes Christian College may be defined as mentors, teachers, and scholars. First of all, our faculty are to be mentors to less experienced Christian brothers and sisters, otherwise known as their students. Mentoring occurs both inside and outside the classroom. It assumes a relationship of mutual submission (Ephesians 5:21) between fellow Christians. It requires a servant's heart on the part of the faculty. Mentoring also implies wisdom on the part of the faculty and trust and respect by the student. Secondly, our faculty are to be teachers. This assumes an in-depth understanding of the content and the ability to connect with students in the classroom and to communicate effectively. Thirdly, though our faculty are not required to publish as part of their responsibilities, they are expected to pursue scholarship and to stay current in their respective fields.

GLCC's faculty are not only prepared academically; in addition to Doctorate and Master's degrees, they have years of ministry experience and are all heavily involved in being servant-leaders in the church and world. Every week they serve as part-time ministers, interim ministers, elders, worship leaders, and teachers in churches. They know how to mentor and teach, and they are experts in their respective areas.
