SCHOLARSHIP PROGRAM

About The Scholarship

The Log Cabin Society is made up of members who commit to sustaining the mission of Great Lakes Christian College with a minimum gift of \$5,000 made over five years.

Students in our graduate degree program can receive a scholarship of 20% off their tuition for each new individual they recruit to join the Log Cabin Society, up to 40% off (two new individuals recruited).

Guidelines

Each Log Cabin Society pledge will reduce tuition by 20%, with a limit of two recruits per student.

The Log Cabin Society recruits need to be new members of the society; existing members may not be recruited to offer new pledges, renew their existing pledges, or repurpose their existing pledges so that the student receives credit.

At the beginning of each semester, the status of every recruit's pledges will be examined to see if they are current. If a student's recruit is unable to fulfill their pledge, the student will be ineligible for the scholarship associated with that recruit going forward. However, the student may provide a new recruit in their place to continue the scholarship.

LOG CABIN SOCIETY

GREAT LAKES
CHRISTIAN COLLEGE

The Log Cabin Society is made up of members who commit to sustaining the mission of Great Lakes Christian College with multi-level gifts made over a period of years.

GLCC began in a log cabin in Vestaburg, Michigan at Rock Lake Christian Assembly in 1949. Since then, students have been trained to serve in the ministry and in the marketplace as Kingdom Workers. It is vital to continue the mission of training students to be servant-leaders for the church and world.

Your sustainable gift will continue the legacy that was started many years ago.

Take a few minutes and prayerfully consider making a pledge or starting with your first donation as a Log Cabin Society member.
