	<p style="color: red; font-weight: bold;">GLCC uses digital library services like Perlego and EBSCO to service most student library needs. This makes purchasing most textbooks unnecessary as professors typically choose textbooks that can be accessed through them. Students who prefer hard copies can either buy them online or access them from the library's reserve shelf. Reserve books may be borrowed for two hours at a time. Due to copyright laws, those books may not be copied or scanned.</p>
